Superintendent of Schools

August 30, 2019

Dear Parents:

The district was made aware of an incident that occurred at the Chapman Child Care Center on August 26, 2019.

While legally the district is not at liberty to discuss details of this matter, we can say that immediate action was taken. The incident was promptly reported to the Cabinet for Families and Children. The person who was said to be involved is no longer employed by Covington Independent Public Schools

In addition, members of our district administrative team and I met with the parents of the child. We assured them that their concerns were heard and given consideration in the decision-making process.

As always, safety is a top priority in our district. If you should have questions, please contact me.

Sincerely,

Alvin L. Garrison
Superintendent,
Covington Independent Public Schools
